### Day 1 Arrival in Jeju

No Meals

Upon arrival at Jeju International Airport, meet your guide upon arrival and begin your Jeju tour by visiting the Dragon Head Rock. Situated on the northern coast in downtown Jeju, Dragon Head Rock is an estimated 10-meter-tall stone that has been worn down over time by strong winds and waves into a shape resembling a dragon's head. Next, transfer to the Dongmun Market for shopping. In the evening, return to the hotel for check in. Overnight in Jeju.

### Day 2 Jeju Island

Breakfast

After breakfast at the hotel, transfer to Seongsan Sunrise Peak. Seongsan Ilchulbong Peak, which is 180m above sea level, erupted underwater in the ocean about 5,000 years ago. This makes it a very rare case among the many craters in Jeju Island. Next, head to Saebil café and Saebyeol Friends Farm. Saebyeol Friends is a small farm at the foot of Saebyeol Oreum. It is home to various animals, including alpacas, sheep, and ostriches, and is a great spot to have some animal-based fun on your Jeju trip. Then, transfer to Jeju Stone Museum - is a museum and ecological park which shows general and systemic stone culture of Jeju Island, the homeland of stones. Next, proceed to Dakmeoreu Coast Road, one of the fascinating sunset spots. In the evening, transfer to the hotel and overnight in Jeju.
