Day 2 Riyadh – Ushaiger Village – Riyadh

Breakfast / Lunch / Dinner

After breakfast at the hotel, you will be taken to Ushaiger Village (2 hours 30 mins). Ushaiger is one of the oldest towns in the Saudi region of Najd and it was a major stopping point for pilgrims coming from Kuwait, Iraq and Iran to perform Hajj or Umrah. The mountain is red in colour, yet locals said it was blonde simply because red and blonde were used interchangeably in the old days. Ushaiger means the "Small Blonde", which is a description of that particular mountain. The historical importance of the village is that its old mud buildings are still untouched. Therefore, it is considered one of the most attractive historical areas in the region. In the evening, return to the hotel and overnight in Riyadh.

A visit to this magnificent site, with its inscriptions, thought to date as far back as the 1st millennium BCE, is a glimpse into the past. In the evening, experience the enchantment of a desert stargazing tour of AlUla. Far from city lights, vast open spaces in remote desert lands create some of the world's most enviable dark skies, making AlUla an idyllic locale for star watching. Return to the hotel and overnight in AlUla.

Day 4 AlUla

Breakfast / Lunch / Dinner

After breakfast at the hotel, begin tour at Al Ula Old Town, the narrowest part of the AlUla Valley. Built on a slight elevation, the town is overlooked by the Musa bin Nusayr Castle, a citadel dating back approximately to the 10th century. With nearly 900 houses, 400 shops and 5 town squares, it still contains remnants of some of the original stone and mudbrick buildings constructed here.
